The Surrey Limousine

The Surrey Limousine features:

- ◆ Computer aided design frame analysis to increase efficiency and decrease effort allowing a person 5'4" and 6'4" to ride in comfort
- ◆ The "Wide Track" design to provide greater lateral stability
- ◆ Padded Seating for six adults and two small children with safety straps
- ◆ Rack and pinion steering with a sport aluminum steering wheel
- ◆ Stainless steel bumper, awning posts, fender brackets and fasteners
- ◆ Four independent freewheeling cranks and much more!
